RE: Sewer Progress Report

Dear Mr. Healey,

Please find listed below a Progress Report for the week of August 12, 2019 through August 16, 2019. The report details the maintenance and repairs performed at the Wastewater Treatment Plant located at Lincoln Street.

Retrofitting of drip lines.

Phase 1 – 1 Zone completed and will be connected to the header next week.
Phase 2 – 2 Zones completed and will be connected to the headers next week.
Phase 3 – 7 Zones completed and back in operation.

Haul-Off

Monday – Removed 20,100 gallons.
Tuesday – Removed 21,700 gallons.
Wednesday – Removed 20,100 gallons.
Thursday – Removed 20,100 gallons.
Friday – Removed 20,100 gallons.

Field Samples

Phase 1, 2, and 3 had small areas of water that samples were retrieved by the certified testing facility on August 16, 2019. Phase 4A and 4B the field is dry. Lab results and pictures will be provided next week.

Please do not hesitate to contact me should you have any questions.

Cynthia Black
Mayor
